Nomination of Board Members

Three spots on the Board will need to be filled for the upcoming two years. If you have an interest in working as a team and would like to be on the Board with a terrific group of ladies then toss your name in the hat! We want you to feel comfortable and you will have everything you need for a smooth year to come. Remember you're not alone, the Board has your back. I know that they had mine the past two years. With attending school or going to work, I knew I could depend on the Board to fill in for me. We are always there to lend a hand when needed.
